

Re-Elect JOHN GORENA for Lewisville City Council, Place 4

Early Voting: April 26 - May 4, 2010
Election Day: May 8, 2010

Lewisville Voters,

April 2010

Last year, in June 2009, I won the special election for Lewisville City Council Place 4. This year I am running for a full three year term and am asking for your vote in the upcoming City election. The reason I am running is the same as last year. Having attended City Council meetings and workshops for two years before I was elected, I had voiced my concerns which seemed to not have any affect. It is my hope to have people on the City Council with my same beliefs and values.

In this campaign many have asked about my core values and beliefs. They are: I am a Christian, Conservative, Patriotic American and Texan (I pledge allegiance the Flag of this Country and the State of Texas), anti-abortion, active in the Republican Party (member of four Republican clubs and serve as the precinct chair for my precinct). I do not believe in gun control unless you mean holding it with two hands to get a better shot. I believe in term limits, fiscal responsibility, limited government, personal responsibility, the rule-of-law, national sovereignty, and the lowest taxes possible.

Another frequently asked question, "**What are the top issues that concern you?**"

All the issues are important. Here are a few of the issues (in no particular order):

- **Continuing to provide the best police and fire protection.**
- **Traffic and mobilization issues.**
- **Addressing the problems caused by illegal immigration** - this needs to be addressed. I am not saying that SOMEBODY needs to do something... I am saying that WE need to do something. Law enforcement starts at the local level.
- **Maintaining or reducing our property tax** (and minimizing city debt).
- **Ensure adequate water supply for our future.**
- **Neighborhood and retail revitalization** (also keeping areas from becoming dilapidated).
- **Economic stability and growth.**

Please tell your family, friends, and neighbors to **vote for John Gorena**. If you have any questions, please contact me. Please visit www.GORENA.org to see my *Status Report* for a list of items I worked on accomplishing in my first 8 months. If you are interested in a yard sign for your Lewisville home or business, please contact me - I would be honored to have your support.

Thank you,

John Gorena, Lewisville City Council, Place 4
