Lewisville voters will elect a new City Council member Saturday in a runoff election. Thomas "T.J." Gilmore and John Gorena are squaring off to fill the Place 4 seat that was vacated by Dean Ueckert in his successful bid for mayor.

During his campaign, Gilmore, who is chairman of the city's community development block grant advisory committee, wants to focus on economic development in the area affected by Interstate 35E's expansion and the creation of the DCTA's rail line.

Gorena, who is making his second bid for a council seat, wants to tackle illegal immigration, end the council's out-of-town retreats and increase the police force.
